Please note:

Pseudonym is only to be filled if you create/write musical works (all or some) under an alias instead of your civil name. Please note the difference between a writer pseudonym and an artist's name/band name. The latter is used for performing music on stage and recording music under an assumed name.

A summary of all the information you provided will appear next. Please check the information you submitted and edit if necessary by clicking on BEARBEITEN (*edit*). Once everything is correct click on SENDEN (*submit*) to submit your data.

Next step: AKM will check the submitted data and contact you by E-Mail within the next few days with further information.
